

My wife and I have been proud owners and residents of a home in the Foothills Clusters since 1994, where we raised three daughters who graduated from Catalina Foothills High School and were active in our community. I have an undergraduate degree in Business Administration and a law degree, both from the University of Arizona.

After working in business management for several years, and prior to my retirement at the end of 2024, I practiced law in Tucson for 35 years. The first seventeen of those years were with the largest law firm in Arizona (and Tucson), where I practiced in the areas of commercial litigation, real estate litigation, and employment litigation, regularly advising my business clients on risk management strategies. Thereafter, I helped open a Tucson office for a national employment law firm, where I finished out my career as a management side employment lawyer, counseling local, regional and national businesses on employment matters and defending employment-related claims.

Now that I have more time to focus on matters closer to home, I would be honored to serve as a member of the Foothills Clusters HOA Board.
